CHAIR'S REPORT

Av/Ellul 5778
July/August 2018

Shalom. In June, we made history when we held the first Skype Beit Din interview at our Shul. I am delighted to announce that Gill Drummond did successively pass the interview and a big thank you to all those members attending to support Gill. We all wish her a massive Mazeltov and look forward to seeing her on the Bimah. Special thanks go to Ian for all his hard work in preparing Gill for her conversion and the time he has given up to assist Gill. Thank you also to Deborah for helping Gill to learn to read Hebrew. We are hoping to get a very special VIP to attend September's Shabbat Morning Service to conduct Gill's admission to the faith ceremony.

I would like to thank all the members (well 13 of us) who attended our AGM on 29 June 2018. It did seem funny sitting at the front when we had been used to Ian leading things. All went very smoothly this year and if you missed my Chairman's report it can be found on page 6. I would like to thank Aimi for dealing with the accounts and other legal requirements in such a splendid manner. Audrey decided to step down as Senior Warden and I would like to thank her for all her hard work over the last 12 months. Malcolm Rosenberg is our new Senior Warden and we wish him Mazeltov. I would also like to welcome on to the council Shirley Cassidy as a co-opted member. The rest of the Council members remain the same and I'd like to thank the members for re-electing me for another year. I will try my best again!

Meanwhile, the Friendly Circle group had a splendid time last month in Leeds and all members really enjoyed the visit. Finally, we are conducting our own High Holy Day Services this year which is less than 2 months away. Plans are already under way to make this year a truly fantastic one.

Please don't forget to come to our Friday Night services at 7.00pm and Shabbat Morning Services at 10.30am.

HIGH HOLY DAY SERVICES 5779

Due to the spiralling costs of obtaining a Student Rabbi to lead and conduct our High Holy Day Services, the Council decided some years ago to only request a Student Rabbi every other year. It was also felt by the Council, and many of the members, that we, as a Shul, had members who were more than capable of conducting our High Holy Day Services and producing original sermons.

This year, therefore, we intend to lead and conduct our High Holy Day Services ourselves. We already have a number of Lay Readers, however, if you would like to be involved in leading part of the Services, please contact Ian Sugarman at ian@isa.karoo.co.uk or at (01482) 835864 as soon as possible.

Likewise, if you would like to 'have a go' at writing an original 10/15 minute sermon for Rosh Hashanah, Kol Nidre or Yom Kippur, again please contact Ian.

This a real opportunity to not only attend the Erev Rosh Hashanah, Rosh Hashanah, Kol Nidre and Yom Kippur Services, but also to experience the spirituality of being actively involved in the ceremonies and liturgy of the High Holy Day Services.

There will be a brief meeting of all those interested following the Friday Night Service on **10 August 2018 at 8.00pm** to look at allocating parts of the High Holy Day Services and the three sermons.

HULL HERITAGE OPEN DAY

Established in 1994, Heritage Open Days is England's contribution to the European Heritage Days and has since grown into the country's largest heritage festival.

Every September, Heritage Open Days (organised centrally by the National Trust, and locally by civic societies and other amenity bodies) opens historic buildings and provides events such as walks and talks. Locally, this is done by the Beverley Civic Society in conjunction with Hull Civic Society. The initiative encourages the public to come and see buildings not usually open, take part in historic area walks, listen to short talks, etc. Everything is free, including the brochure of events.

For more details and to receive a free brochure please contact John Netherwood, the Projects Director of Hull Civic Society on (01482) 653 657 or at opendays@hullcivicsoc.info

On **Sunday morning 9 September 2018 at 10.00am**, Ne've Shalom will be opening its doors to the public, as one of the officially recognised Heritage Open Day events. We will be providing an opportunity for visitors to look around the Synagogue, talk to those members present and examine the Ark, Scrolls and other artefacts.

Although we already have some volunteers to assist us, if you do wish to help us to meet and greet, please contact Andy on either 01482 330 510 or 07736 397 858 or at andy@hsts.co.uk

SYNAGOGUE COUNCIL MEETING

15 June 2018

Present - Andy Harbert (Chair), Joanne Kearsley (Secretary), Audrey Sugarman, Henry Goldstone, Elaine Winetroube and Ian Sugarman (Life President).

Business

To make the Shul more secure, the Chair had now purchased and will fit a new lock for the outer door with a 4 digit pass code. It was agreed that the pass code would only be given to Council members to enable access, as the front door would be permanently locked. For Services, the Caretaker or a Council member would be designated to stand inside the door and allow members and friends of the Shul to enter after using the CCTV to confirm identity.

The Chair reported that although there had been a very poor attendance at the Shavuot Service, those who attended had enjoyed the Service and the food. He thanked Ian for taking the Service and those who had prepared the food. The Food Safety Training had been held on Sunday 10 June 2018 and was attended by 13 people, three attending from Pryme Street.

The Chair also reported that Gill Drummond's Beit Din interview had gone very well and that she had now completed her conversion. As Gill was unable to attend the Beit Din in London for her final interview, the interview had been conducted via Skype with Rabbi Andrew Goldstein present at the Shul. It was thought that this was the first time that any convert's final interview had been conducted remotely. Following her interview, Rabbi Danny Rich, agreed to conduct her Affirmation to the Faith ceremony and present her with her conversion certificate during September's Shabbat Morning Service.

It was stated that a 5 year inspection of the Shul's electrics was urgently required, some re-wiring needed to be carried out and the external lights were not working. A cost of £550 + VAT had been quoted and the Council agreed to the work being carried out. It was also suggested that the Shul hall lights be converted to LED lighting, as they would be easier and cheaper to maintain. It was agreed to ask the electrician to carry this out at the same time as the other work.

The Hull Friends of Magen David Adom are to hold a garden party on Sunday 17 June at 2.30pm. The HJJC Friendly Circle will be held in Leeds on Monday 18 June and the meeting due to be held at Pryme Street on Thursday 21 June was now cancelled. This year's Northern Chagigah in Nottingham will take place 22 - 24 June. The AGM at Ne've Shalom will be taking place on Friday 29 June at 6.00pm. Gill Drummond's Affirmation to the Faith Ceremony will hopefully have the attendance of Rabbi Danny Rich and is planned to take place on 1 September. The Shul's Heritage Open Day is set for Sunday 9 September 2018 between 10.00am - 4.00pm.

The Council confirmed that this year's High Holy Day Services will be conducted by members of the Lay Reading team.

The Chair reported that the cleaning programme had started with the sorting of books and prayer books and the clearing of non-required items from the classrooms and cabinets. He thanked those who had helped. Once cleared, a professional cleaning company will be brought in to deep clean the building.

Date of next Council meeting – Friday 10 August 2018

CHAIR'S REPORT TO THE AGM

29 June 2018

The following Chair's report was given at the recent AGM held on Friday 29 June 2018. We have reproduced it here for all those members and friends of Ne've Shalom who were unable to attend.

I would now to give my first report on the Shul's activities between last year's AGM up to this year's AGM.

It was a true honour to be elected as the Chairman of Hull Reform Synagogue last June, I knew when I took on the role it would be mammoth task stepping into Ian's shoe's when he had done such a tremendous job as the previous Chairman for the last 12 years.

Firstly, I would like to thank the Shul Council, the members and the friends of the Shul for their support of my chairmanship over the past 12 months. It is really appreciated and I could not have done it without you all and please remember we are only volunteers and a lot of us have full time jobs as well.

One person I would like to thank is Ian Sugarman who has helped me out so much over the last year pointing me in the right direction and always been in the background to help me out as the Chairman of our wonderful traditional Shul. Ian still continues to produce the monthly Shofar Shalom and keeps the website up to date and does a lot of work behind the scenes to keep things running smoothly in the Shul.

I feel the last year went smoothly. We had series of successful Festival Services, one amazing Open Friday Night Service in February, one of best Simchat Torah's we had for a long time. We had a presentation given Robin Moss to celebrate the signing of the Balfour declaration. We had splendid BBQ afternoon to mark the 70th Anniversary of the state of Israel, 2 special birthday celebrations. More importantly, we gained 2 new Jews who have both gone through the conversion process.

Unfortunately, we also had one death in the Shul over the past 12 months. We lost Jeanette Dubb in December, Jeanette will be sadly missed and we wish the family a "Long life". We also had two special birthdays this year for Jim and Joanne and all who attended had wonderful evenings.

The Hull Jewish Community Care's monthly Friendly Circle continued throughout the year, being held alternatively at our Shul and at Pryme Street, but more latterly held at Pryme Street. Those attending belonged to both Shuls and it's good that we can hold such joint events.

Our excellent team of lay readers took this year High Holy Day Services. Attendances at all Services were very good, especially Rosh Hashanah. We had some wonderful sermons by Malcolm, Jackie and Sarita. It was also pleasing that we again received such a generous response to our High Holy Day Appeal. I would also like to thank, our Senior Warden, Audrey Sugarman, for all her work and effort in organising the readings and the mitzvot.

This year's Simchat Torah Service was amazing. The turn-out was staggering and I know that your attendance at the Service made it an extra-special evening for our Chatan Torah and Chatan B'resheet, Malcolm Rosenberg and Ian Sugarman. Aimi provided this year's splendid catering and had made allowances for a large turn-out and was more than able to "feed the masses".

During and after the Service, the Shul had a great fun atmosphere and it does show that when our community does pull together a good time is had by all. Can I thank all those who helped with the preparation and brought the sweets for the young (and not so young) participants in the procession?

Due to the previous successes of our Open Friday Night Service, we organised one in February we had in excess of 50 people attending the service and we also had the High Sheriff in attendance year. These events always generate a fabulous atmosphere and a 'feel good' impression on the wider community. I would like to thank Ian and Aimi for providing such a splendid service. Following the service the guest's had a chance to try some wonderful Jewish style food. Thank you for all people involved preparing it.

As well as Sukkot, we have held Services for Chanukah, Shavuot, as well as our Communal Seder, which corresponded to the first night of Pesach. I would like to thank Deborah Wrapson for the organisation of the Seder and all the many helpers who also prepared the food for the Seder. I understand that there was plenty of fruit salad, as always.

I would like to thank Sarita Robinson for taking the Chanukah and Passover service. Also thanks to Aimi for leading this year's Sukkot service and for the team erecting and decorating our temporary shelter. Unfortunately, due to the very snowy and treacherous driving conditions, we had to cancel this year's Purim Service.

In November, Henry and I had the honour at this year's AJEX remembrance service to light a candle in memory of the 6 million Jews killed.

We had the RSY – Netzer attend for a weekend sleep over and activities at the Shul and I understand they all enjoyed their time here in Hull.

During the course of the year, we have held two film shows and we had a fantastic turn out from both Shul's. Everyone attending enjoyed the cinema style snacks and drinks.

Our Hebrew reading and conversion classes continued up to a few months ago. I'd like to thank Deborah Wrapson for giving up every other Sunday morning to help those wanting to learn to read Hebrew and also Ian Sugarman for running the conversion classes. Tony Sevilla-Harland is continuing to run his monthly Torah classes. Speaking of converts, we gained two new Jews, Chris Joseph Jay and Gill Drummond. We had the honour to hold Gill's Beit Din final interview via Skype within our Shul, which was a very moving afternoon and we had the pleasure of Rabbi Andrew Goldstien who also attended in person. Mazeltov to you both.

Audrey continues to visit the sick and Ian has been kept busy acting as the Hull & East Yorkshire hospital chaplain visiting sick members in hospital.

We continue to be well represented in the media, especially on Radio Humberside, who regularly request our members contributions to their Sunday morning "Paper Review" and "Pause for Thought", the weekday "Over to You" feature, as well as comments on current religious events and national newspaper articles. I'd like to thank Ian Sugarman, Jackie Lukes and Aimi Sugarman for helping to represent our Shul so admirably.

At this point, I must mention a number of people who quietly carry out a range of important duties which allows our Shul to run and to be maintained, as well as being known and well respected by the wider community. I know many of them don't do this for the thanks, but for the good of the Shul, but I'd like to thank them anyway. Firstly, to Henry Goldstone for all his time, commitment and effort into ensuring the security of the Shul and the memorial plaques.

To Deborah Wrapson, Joanne Kearsley, Tim Harris, Ian Sugarman, and Phil O'Driscoll for undertaking school visits and talking to a wide range of groups and organisations about Judaism. To Jim Lightowler for helping with building maintenance. To Audrey Sugarman, for organising the rota, and to all those other ladies, and some gentlemen, who prepared many of the Festival and special Kiddushim, especially Lesley Annis, Gillian Smith, Ann Bush and Gill Drummond. To Elaine Winetroube for ensuring that the telephone answer phone messages left are received by the right people.

I would also like to thank Joanne Kearsley for all her hard work as the Shul Secretary it does not go unnoticed and also to my wonderful Vice Chairman, Phil O'Driscoll.

I would also like to thank Aimi for all the time she has given up looking after the Shul accounts ensuring our creditors are paid on time and securing better deals for services provided to the Shul, also for looking after the Shul's legal affairs which is all very time consuming. Also thanks go to Malcolm for helping with late payers of Shul members.

We have had a busy year updating our Health and Safety polices, fire regulations and first aid training, food safety polices, we have had to have a full electrical inspection and had to have some major updates done to the ring main circuits and fittings alike. All this ensure we all have a safe and secure and legal building for members and visitor's to the Shul. We still have some work to be done in the kitchen to make sure we are fully compliant.

I have now got some good links with in Humberside Police I have been attending monthly meetings to help assist with this. We have now installed a key pad on the main door for added security for members and the police patrol the area on a regular basis.

The Shul council during the course of the year decided to name a class room after Ian Sugarman for his dedication and commitment to the Shul. We are also in the process of having a plaque made of the founder members of the Shul.

We also bought some Siddurim in memory of Geoff Annis and Lesley had one of the Torah Mantels embrodied in Geoff's everlasting memory.

I would also like to thank our team excellent Lay readers for taking the services and also thank to Mark and Malcolm who also joined the rota this year and are both doing a splendid job. Special thanks go to Tony for reading the Torah in such wonderful Style.

One other special person I would also thank is Helen my wife for all the help and support she has given to me over the last year as the Chair, sorry if I have get on your nerves dear at times, but thank you any way.

Let's all hope we all have a very healthy next year! Amen!

CHAGIGAH 2018

This year's Chagigah was held on 22-24 June 2018 at Eastwood Hall near Nottingham. Ne've Shalom was represented by Andy, Aimi and Ian, along with Sarita who helped organise the event. Chagigah is the Movement's biennial celebration of Reform Judaism. The following article first appeared in the Jewish Chronicle on 2 July 2018.

Representatives of Reform Judaism's 41 communities made significant commitments on financial sustainability, well-being and the environment at its biennial weekend, Chagigah.

More than 200 people attended the gathering at Eastwood Hall near Nottingham. They discussed initiatives including a new approach to synagogue finances. Taking the view that the model of funding communities is outmoded, the movement is looking for ways to engage people more so they are minded to make donations or leave legacies to communities.

Rabbi Mark Goldsmith of Alyth in Golders Green said it was about "fostering relationships with members that help them feel their membership commitments are appreciated - and encouraging them to support their synagogues to be ambitious for Jewish life. Much of this feels obvious but it's way too common for synagogues to become transactional."

Progressing the Communities that Care plan launched at Chagigah 2016, the movement committed to adopting the NHS's five steps to mental well-being. Rabbi Miriam Berger of Finchley Reform Synagogue explained: "The scale of issues among our teenagers, adults and the elderly is no different to the national statistics. So we have to rally our communities to act now."

There was also agreement on an environmental campaign with a target of cutting single-use plastic in communities by 50 per cent by Rosh Hashanah - and by 90 per cent by Rosh Hashanah 2019.

Addressing the closing session, movement chair Geoffrey Marx noted that "Reform Judaism is making an enormous difference, delivering invaluable partnerships and laying the foundations for a bright future".

Other sessions covered Jewish learning, music, theatre and arts and crafts.

Traditionally, Jewish Yahrzeits are remembered on the Hebrew date, which means that there might be some variation in the English date each year.

If the Hebrew date is observed, it must be remembered that the Yahrzeit starts the evening before.

Memorial prayers for the deceased will be recited during the Friday Night Service for those Yahrzeits which fall during the coming week. If a Yahrzeit falls on a Friday Night, please remember that the prayers will usually be recited during the Friday Night Service the week before.
